

How to access the Status Board

Log in to the system, Type “OR” in the department selection, and then choose your desired operating room location (e.g., PBMC OR). The Status Board Report will automatically open to Perioperative Intraprocedure, displaying all scheduled cases for the day in the selected PBMC OR

For example, PBMC OR

The Status Board Report automatically displays the day's scheduled cases in PBMC OR, starting with the Perioperative Intraprocedure view.

Status Board: Perioperative Intraprocedure [559693] (Thu 9/18/2025)

Search Status Board: [] 9/18/2025 9/18/2025

Patient Name	ID	Age	Gender	Language	Room	Status	Notes
Jade, ElliePBMC	[3283002]	4 yrs	F	English	Pbmc Or 1	In Fac
