

Epic Steps:

- 1) Per Northwell policy, all external biopsy slides must undergo review by a Northwell pathologist prior to surgery if the procedure is to be performed at a Northwell facility. To integrate these consultation results into Epic, a 'Pathology Slide Consult' order is required. Laboratory technicians will be enabled to place these orders, which will trigger the necessary registration and order transmission to CernerSearch up the encounter activity.

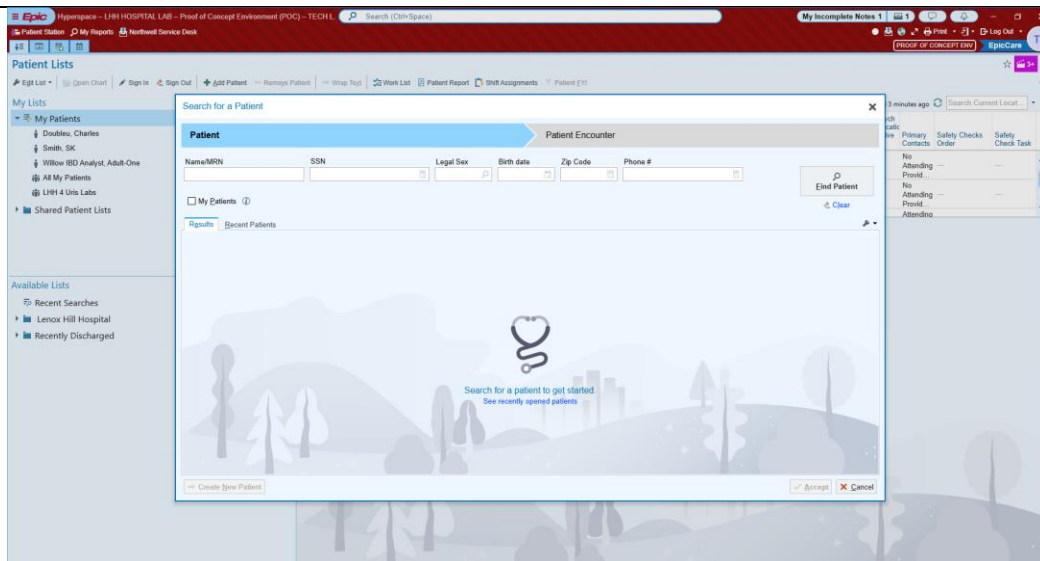

a.

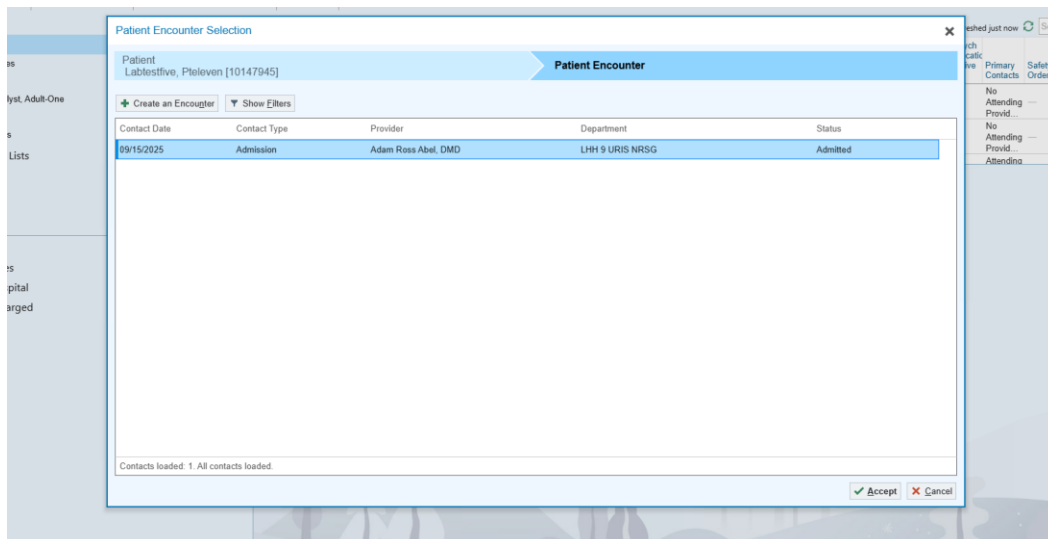

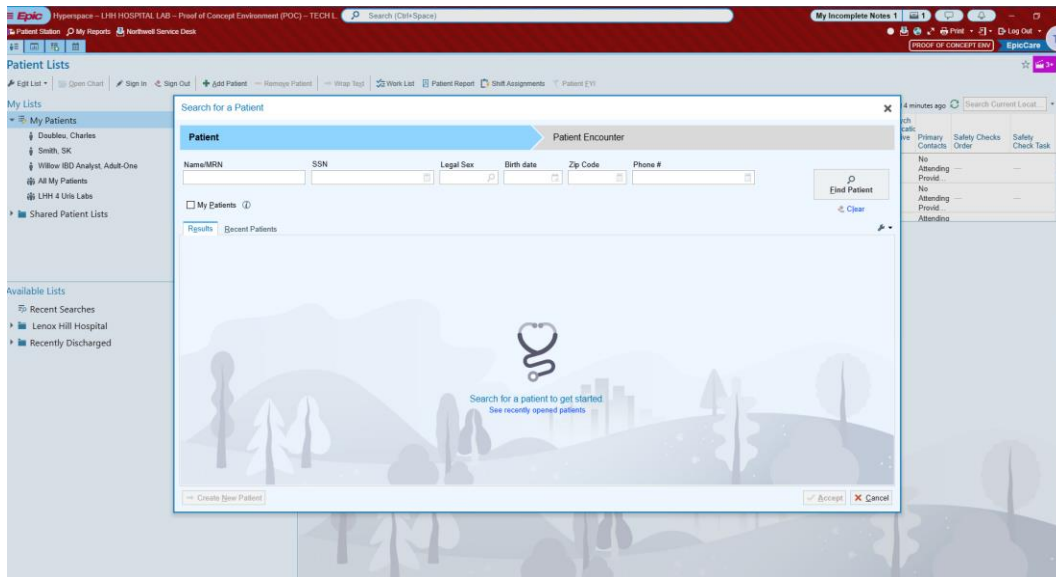

b. See encounter activity

- 2) Enter the encounter activity:

3) Look up patient by the open fields in their “Search for a Patient”

4) Create encounter:

The screenshot shows the 'Patient Encounter Selection' window. At the top, it displays the patient name 'Labltestfive, Pteleven [10147945]' and a 'Patient Encounter' tab. Below this, there is a '+ Create an Encounter' button and a 'Show Filters' button. A table lists the encounter details:

Contact Date	Contact Type	Provider	Department	Status
09/15/2025	Admission	Adam Ross Abel, DMD	LHH 9 URIS NRSG	Admitted

At the bottom of the window, it says 'Contacts loaded: 1. All contacts loaded.' and has 'Accept' and 'Cancel' buttons. A red arrow points to the 'Create an Encounter' button.

5. Select what type of encounter order you need (Orders Only in this case):

The screenshot shows the 'Patient Encounter Creation' window. It displays the patient name 'Labltestfive, Pteleven [10147945]' and a 'Patient Encounter' tab. Below this, there is a 'Select an Encounter' button. The form fields are as follows:

- Date: 10/14/2025
- Type: Orders Only (indicated by a red arrow)
- Provider: FUNG, MICHELLE
- Department: LHH HOSPITAL LAB

At the bottom, there are 'Accept' and 'Cancel' buttons. The background shows a sidebar with 'My Patients' and 'Shared Patient Lists'.

6. Click Accept when you are done:

9) When complete sign the order:
